Below is a listing of Supplemental Outreach Initiatives¹ seeking to provide increased awareness of employment opportunities in broadcasting and with Bristol Broadcasting Company that were undertaken during the Applicable Period of this Report:

- **Co-Sponsor of Smyth County Opportunity Fair** The Marion SEU co-sponsored the Smyth County Opportunity Fair in conjunction with the Smyth County Chamber of

¹ The management of the SEU notes that several supplemental outreach initiatives including career/job fairs that were scheduled during the Applicable Period for this Report were cancelled due to the coronavirus pandemic. The SEU will participate in such events when they are rescheduled.

Commerce on Thursday April 28, 2022. Beginning in March 2022, members of the SEU management team worked with the organizers of the event to plan and pre-promote the event. Live and recorded announcement were aired on the Stations of the SEU encouraging participation.

- **Outreach to Organizations That Help Job Seekers** To aid in the dissemination of information about vacancies and to make organization that regularly assist job seekers aware that they can be added to a list of entities that receive notice of all full-time opening at the Station Employment Unit, Bristol Broadcasting Company continually has posted on its corporate website (which is hyperlinked from all the SEU Stations' websites) a notice to such organization encouraging them to request inclusion on the list. An online form is provided for convenience in requesting notice of vacancies.

As part of the preparation of this Report, an analysis of the recruitment activities and the overall efficacy of the EEO program of the Marion Station Employment Unit was made. After the analysis, SEU management concluded that its recruitment efforts were generally successful during the Applicable Period with any qualified individual who might wish to apply for an open position having multiple opportunities to learn about such openings. The analysis of the SEU's recruitment activities, particularly the Supplemental Recruitment Initiatives, were curtailed greatly during the period of this report due to the Covid-19 Pandemic and the associated shut-downs and restrictions. As a result of these restrictions there were fewer events such as career/job fairs that were scheduled in which the SEU could participate.

As the Covid-19 Pandemic subsides, the management of the SEU anticipates a more robust outreach effort including participation in job fairs and the establishment of new internship programs. Bristol Broadcasting Company, Inc., is committed to providing employment opportunities to all qualified applicants without regard to race, color, national origin, religion, or gender and will continue to pursue new ways and means of more widely disseminating information regarding job vacancies with the company.
